

Executive Headteacher : Mr S A Carter BEd (Hons) NPQH

ENSURING EXCELLENCE

12th September 2018

Dear Parent/Carer,

As part of our commitment to 'Ensuring Excellence', please find enclosed the extensive schedule for enrichment at Telford Langley School.

The enrichment programme offers a range of activities to help students develop the skills needed in their academic study and everyday life. The extensive sports programme encourages students to work with others and negotiate through challenging experiences. Students discover how to motivate themselves and stay on track to achieve their goals. Enrichment activities promote a sense of self-worth and a respect for others.

Performing Arts enrichment activities link to relevant subjects across the curriculum. Students are able to explore a variety of texts, using transferable skills such as effective communication and collaboration. Students are able to explore topics linked to PSHE allowing them to develop emotionally and cope positively with the new or difficult challenges. Being able to question, discuss and shape ideas through drama, dance and music supports the wider curriculum.

The after school enrichment programme also encourages students to develop their independent learning skills with homework clubs and study support sessions. Students can gain in confidence during these sessions because they are able to secure knowledge and skills for all subjects.

Academic intervention sessions will also be taking place after school and there will be a letter sent home with individual timetables attached. Intervention and enrichment activities will start on Monday 17th September, 2018.

Yours faithfully,

Mr P Hewitt

Deputy Headteacher for Student Progress
