

Executive Head: Mr S A Carter BEd (Hons) NPQH

ENSURING EXCELLENCE

Friday, 13 January 2017

Dear Parent/Carer,

Great News from Ofsted

Following a recent visit from Ofsted, we are now able to share the fantastic news that The Telford Langley School is no longer in 'Special Measures', with a judgement of 'Good' for leadership. The report notes that "The headteacher and his senior leadership team are having a significant impact on changing the culture of the school...They have introduced systems to monitor and improve teaching, achievement, attendance and behaviour, all of which are having a positive impact".

Following our record GCSE results in the summer, inspectors have noted that outcomes are forecast to improve again this academic year. They also praised leaders for the accuracy and reliability of predictions.

Previous Ofsted reports have explained that teaching has continued to improve which has helped to raise standards. This report notes that teaching is now even better still. Inspectors have also commented on the good behaviour of pupils in lessons and around school.

The impact of the Community Academies Trust has also been praised "because of the positive impact they are having on all aspects of school life".

We are very encouraged by this report but remain committed to securing further improvements to ensure the very best outcomes for all of our students in terms of their academic, social and personal achievement. I would also like to thank staff for their hard work and commitment and parents/carers for your ongoing support which has enabled us to secure such rapid and significant improvements.

Chief Executive Officer of Community Academies Trust, Philip Hamilton has commented that, "This is wonderful news. Strong leadership in the school at all levels has supported a talented team of staff to make a real difference, and the next steps for even further rapid improvement are established. Congratulations and thanks to everyone involved in achieving this important milestone."

The full report is now available to view on the Ofsted and The Telford Langley School websites. However, if you would like a printed copy of the report please contact the school so that this can be arranged.

Yours faithfully,

Mr S Carter
Head of School
