ENSURING EXCELLENCE

Dear Parent/Carers,

Great news from Ofsted

Following a recent visit from Ofsted, we are now able to share the fantastic news that The Telford Langley School has been judged as 'Good' in all areas, with an overall judgement of 'Good'.

The report notes that the school has been "transformed" and that leaders have "...created a culture and ethos which are inclusive and driven towards high outcomes, strong pastoral care and high expectations."

Inspectors have recognised how the quality of teaching is ensuring that students enjoy their learning and achieve well. The school is also described as a safe, calm and orderly community with high standards of behaviour in lessons and noted that "learning time is rarely wasted" and that inspectors "...saw no instances of poor behaviour".

Leaders, Governors and The Community Academies Trust have also been praised for a "...unwavering drive for excellence".

This report comes as a further boost following summer results that put The Telford Langley School's exam performance amongst the highest in Telford for the last 2 years running. Whilst we are very encouraged by all of this positive news, we remain committed to securing even more improvements to ensure the very best outcomes for all of our students in terms of their academic, social and personnel achievement.

I would also like to recognise the hard work of staff and thank parents/carers for the ongoing support which has made these achievements possible.

Chief Executive Officer of Community Academies Trust, Philip Hamilton commented "Everyone involved with the leadership of The Telford Langley School over the past three years should be congratulated for rapidly improving the school so that it now provides an excellent education for the pupils and community it serves. My personal thanks to all involved in this significant and ongoing achievement."

The full report is now available to read on The Telford Langley School website and will be published on the Ofsted website within the next 5 days. However, if you would like a printed copy of the report please contact the school so that this can be arranged.

Yours faithfully,

Mr S Carter
