The columns greyed out refer to compulsory subjects that you will take. You have a choice of **TWO SUBJECTS** from each of the two subject blocks, which are called Block A & C. You must select at least **one of the green subjects**.

Please note **you can't select two subjects in the same block** and you are **unable to choose both Art and Graphics**.

Look at all subject blocks. **Remember you have TWO choices across all blocks but can't have two or more subjects in the same block.**

Please put a **1A** in the box next to the subject you would like to choose for your **first** choice and **2A** for a backup for this choice.

Please put a **1C** in the box next to the subject you would like to choose for your **second** choice and **2C** for a backup for this choice.

Your returned results will provide the necessary information, in order to look at the next stage of subject choices. Wherever possible pupils will be given their 1<sup>st</sup> choice subjects however it may be necessary in some instances to allocate pupils backup choice subjects.
