1. Purpose of the Process

In terms of internal governance arrangements, it is the responsibility of the head of centre to ensure that The Telford Langley School has in place a written escalation process should the head of centre, or a member of the senior leadership team with oversight of examination administration, be absent.

This process confirms the main duties and responsibilities to be escalated. This process also supports The Telford Langley School being able to confirm to an awarding body the external governance arrangements so that the awarding body has confidence in the integrity of centre activities such as the delivery of qualifications and the conducting of examinations and assessments.

As a contingency to enable the prompt handling of urgent issues only, the centre responds to the awarding bodies' request for information regarding the contact details of a senior member of staff (which might include a personal mobile number and/or email address). This will ensure that any urgent matters which might adversely affect candidates which arise outside of term time, and which potentially put qualification awards at risk, can be addressed by awarding bodies with the support of that member of staff. The head of centre will ensure that this member of staff has the necessary authority to mobilise resources to provide this support, which might include resolving issues within the centre itself (GR 5.3)
