2. Registration and Certification Policy

Aim:

- To register individual learners to the correct programme within agreed timescales.
- To claim valid learner certificates within agreed timescales.
- To construct a secure, accurate and accessible audit trail to ensure that individual learner registration and certification claims can be tracked to the certificate which is issued for each learner.

In order to do this, the centre will:

- Register each learner within the awarding body requirements
- Provide a mechanism for programme teams to check the accuracy of learner registrations
- Make each learner aware of their registration status
- Inform the awarding body of withdrawals, transfers or changes to learner details
- Ensure that certificate claims are timely and based solely on internally verified assessment records
- Audit certificate claims made to the awarding body
- Audit the certificates received from the awarding body to ensure accuracy and completeness
- Keep all records safely and securely for three years post certification.

3. Assessment Policy

Aim:

- To ensure that assessment methodology is valid, reliable and does not disadvantage or advantage any group of learners or individuals
- To ensure that the assessment procedure is open, fair and free from bias and to national standards
- To ensure that there is accurate and detailed recording of assessment decisions.

In order to do this, the centre will:

- ensure that learners are provided with assignments that are fit for purpose, to enable them to produce appropriate evidence for assessment
- produce a clear and accurate assessment plan at the start of the programme/academic year
- provide clear, published dates for handout of assignments and deadlines for summative assessment
- assess learner's evidence using only the published assessment and grading criteria
- ensure that assessment decisions are impartial, valid and reliable
- not limit or 'cap' learner achievement if work is submitted late
- develop assessment procedures that will minimise the opportunity for malpractice
- maintain accurate and detailed records of assessment decisions
- maintain a robust and rigorous internal verification procedure

- provide samples for standards verification as required by the awarding organisation
- monitor standards verification reports and undertake any remedial action required
- share good assessment practice between all BTEC programme teams
- the tutor will decide when the learner is fully prepared to undertake the assessment. Once learners are working on assignments which will be submitted for assessment, they will work independently to produce and prepare evidence for assessment.
- before starting an assessment, the tutor will ensure that each learner understands the:
 - assessment requirements
 - nature of the evidence they need to produce
 - importance of time management and meeting deadlines.
- once the learner begins work for the assessment, the tutor will not:
 - provide specific assessment feedback on the evidence produced by the learner before it is submitted for assessment
 - confirm achievement of specific assessment criteria until the assessment stage.
- only one submission will be allowed for each assignment. The assessor will formally record the assessment result and confirm the achievement of specific assessment criteria.
- each learner must submit:
 - an assignment for assessment which consists of evidence towards the targeted assessment criteria
 - a signed-and-dated declaration of authenticity with each assignment which confirms they have produced the evidence themselves.
 - formally record and confirm the achievement of specific assessment criteria
 - complete a confirmation that the evidence they have assessed is authentic and is the learner's own work
- the assessor will not:
 - provide feedback or guidance on how to improve the evidence to achieve higher grades.
- it may be appropriate for the Lead Internal Verifier to authorise one opportunity for a learner to resubmit evidence to meet assessment criteria targeted by an assignment.
- the Lead Internal Verifier will only authorise a resubmission if all of the following conditions are met:
 - the learner has met initial deadlines set in the assignment, or has met an agreed deadline extension
 - the tutor judges that the learner will be able to provide improved evidence without further guidance
 - the assessor has authenticated the evidence submitted for assessment and the evidence is accompanied by a signed and-dated declaration of authenticity by the learner.
- if a learner has not met the conditions listed above, the Lead Internal Verifier will not authorise a resubmission.
- if the Lead Internal Verifier does authorise a resubmission, it must be:
 - recorded on the assessment form
 - given a deadline for resubmission within 10 working days* of the learner receiving the results of the assessment (* the 10 working days will be within term time, in the same academic year as the original submission).
 - undertaken by the learner without further guidance.
- retakes of internally assessed units are therefore not available to learners studying BTEC Firsts and Nationals on the NQF.
- ensure that BTEC assessment methodology and the role of the assessor are understood by all BTEC staff
- provide resources to ensure that assessment can be performed accurately and appropriately.

4. Internal Verification Policy

Aim:

- to ensure there is an accredited Lead Internal Verifier in each principal subject area
- to ensure that Internal Verification is valid, reliable and covers all Assessors and programme activity.
- to ensure that the Internal Verification procedure is open, fair and free from bias
- to ensure that there is accurate and detailed recording of Internal Verification decisions.

In order to do this, the centre will ensure that:

- where required by the qualification, a Lead Internal Verifier is appropriately appointed for each subject area, is registered with Pearson and has undergone the necessary standardisation processes
- each Lead Internal Verifier oversees effective Internal Verification systems in their subject area
- staff are briefed and trained in the requirements for current Internal Verification procedures
- effective Internal Verification roles are defined, maintained and supported
- Internal Verification is promoted as a developmental process between staff
- standardised Internal Verification documentation is provided and used
- all centre assessment instruments are verified as fit for purpose
- an annual Internal Verification schedule, linked to assessment plans, is in place
- an appropriately structured sample of assessment from all programmes, units, sites and Assessors is Internally Verified, to ensure centre programmes conform to national standards
- secure records of all Internal Verification activity are maintained
- the outcome of Internal Verification is used to enhance future assessment practice.

5. Appeals Policy

Aim:

- to enable the learner to enquire, question or appeal against an assessment decision
- to attempt to reach agreement between the learner and the Assessor at the earliest opportunity
- to standardise and record any appeal to ensure openness and fairness
- to facilitate a learner's ultimate right of appeal to the Awarding Body, where appropriate
- to protect the interests of all learners and the integrity of the qualification.

In order to do this, the centre will:

- inform the learner at induction, of the Appeals Policy and procedure
- record, track and validate any appeal
- forward the appeal to the Awarding Body when a learner considers that a decision continues to disadvantage her/him after the internal appeals process has been exhausted
- keep appeals records for inspection by the Awarding Body for a minimum of 18 months
- have a staged appeals procedure
- will take appropriate action to protect the interests of other learners and the integrity of the qualification, when the outcome of an appeal questions the validity of other results
- monitor appeals to inform quality improvement.

6. Assessment Malpractice Policy

Aim:

- to identify and minimise the risk of malpractice by staff or learners
- to respond to any incident of alleged malpractice promptly and objectively
- to standardise and record any investigation of malpractice to ensure openness and fairness
- to impose appropriate penalties and/or sanctions on learners or staff where Incidents (or attempted incidents) of malpractice are proven
- to protect the integrity of this centre and BTEC qualifications.

In order to do this, the centre will:

- seek to avoid potential malpractice by using the induction period and the learner handbook to inform learners of the centre's policy on malpractice and the penalties for attempted and actual incidents of malpractice
- show learners the appropriate formats to record cited texts and other materials or information sources
- ask learners to declare that their work is their own
- ask learners to provide evidence that they have interpreted and synthesised appropriate information and acknowledged any sources used
- conduct an investigation in a form commensurate with the nature of the malpractice allegation. Such an investigation will be supported by the Head of Centre and all personnel linked to the allegation. It will proceed through the following stages:
- make the individual fully aware at the earliest opportunity of the nature of the alleged malpractice and of the possible consequences should malpractice be proven
 - give the individual the opportunity to respond to the allegations made
 - inform the individual of the avenues for appealing against any judgment made
 - document all stages of any investigation.

Where malpractice is proven, this centre may apply the following penalties / sanctions:

- withdrawal from all examinations
- withdrawal from the Named BTEC Examination
- cancellation of the Unit
- cancellation of the Assignment
- repeat of the assignment
