

SCHOOL PRODUCTION 2025

We were very proud to announce that this year's school musical was 'Matilda'. This popular choice showcased the incredible talent in our school, with pupils performing for primary schools in the morning and evening shows on Wednesday 2nd and Thursday 3rd April. Each performance was fantastic, with students pouring their hearts and souls into every scene. The captivating acting, impressive choreography, alongside impeccable lights and sound made it clear that everyone involved worked incredibly hard to bring this beloved story to life. Pupils took on every role in the cast, crew, and front of house.

We extend our gratitude to all the staff who assisted with set design, backstage support, and donated their time and money to the event. Special thanks to Baker & Sons for providing costumes, Stage & Studio for light and sound services, and Notjustcurtains for props. The audience was thoroughly entertained, leaving with smiles on their faces and singing praises for the talented cast and crew. This event was a true testament to the dedication and creativity of our students, teachers, and support staff, all of whom came together to make it a resounding success.

A huge congratulations to Miss Risley for directing and producing such a fabulous show.

Langley Sports

LANGLEY FOOTBALL

This season saw many tense games and some amazing moments from all of our teams here at Langley.

A special thanks to the team managers and coaches, without whom the games would not be possible. Mr Jones, Mr Daniel, Mr Creed and Mr Buttery have all been amazing in supporting the lads this term! Their enthusiasm and willingness to step into various roles has not gone unnoticed.

Special mention to super-supporter Mr Priggis, for his unwavering encouragement game after game and to every staff member for their encouragement.

The Year 7's and 10's move on to the semi-finals, whilst our Year 11's move on to the finals. All the best!!

LANGLEY FOOTBALL RESULTS

YEAR 7

Langley v Charlton: 7-1 (win)

YEAR 8

Langley v Holy Trinity : 2-1 (Lost)

YEAR 10

Langley v Holy Trinity: 3-0 (win)

YEAR 11

Langley v Idsall: 3-1 Win

TRAMPOLINING

On Tuesday 8th April Langley hosted a trampoline competition. Our students showcased their skills by performing routines in one of four categories: Elite, Intermediate, Novice, and Beginner.

11 students from Langley competed, and each one did an exceptional job. Their performances were nothing short of amazing, with every student demonstrating remarkable talent, dedication, and sportsmanship. It was truly a fantastic event, and we couldn't be prouder of all the participants.

Langley Sports

LANGLEY BADMINTON

This term, we had the pleasure of taking the following students to Birmingham to spectate the Yonex All England Badminton tournament. The students were a credit to the school and behaved impeccably, they had a fantastic day and were able to watch some of the best players in the world.

We also had the pleasure of taking students to the Shropshire School Games finals today at Shrewsbury Sports Village. This is the first time in our school history that we have reached this stage; we are very proud that three of our four teams qualified.

The students were amazing and conducted themselves in exemplary form, raising the standard of their game to the level of competition.

BADMINTON RESULTS

KS3 Girls- Finished 3rd in the county!

Hei Wong
Dharshana Vijay Sundar
Lok Wong
Ananya Peddoju

KS4 Girls- Finished 5th in the county!

Abi Price
Lai Kay Yau
Mia Malcolm Richards
Holly Cockayne

KS4 Boys- Finished 4th in the county!

Rex To
Liam O'Ryan
Samel Tang
Matthew Mak

School residential

"loved the cheeky jog and dip- It was a highlight!

Ava C.

"I loved being in Nature."

Ben P.

Year 9 had a fantastic trip to Outward Bound with the year 9 students. All the students represented the school exceptionally well.

The main focus of the week was on developing students resilience, team work and self-belief. It was particularly satisfying to see students thriving without their mobile phones, not one student complained about not having their phone all week and several students commented on feeling happier without them.

A massive thank you to Mike Oxenham, Ian Farmer, Ashleigh Griffin, Kylie Evison and Gaby Lander for all their help making the trip run smoothly.

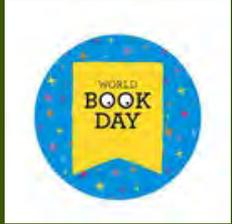

" we faced new challenges like the big jump- loved them!" Aiden

The more that you **READ**
the more **THINGS** you will know.
The more that you **LEARN**,
the more **PLACES** you'll **GO**

WORLD BOOK DAY

Telford Langley celebrated World book day in style this year. Teacher's got to share their favourite books and reading moments with pupils, with some staff dressing up to really encourage pupils that reading can be fun!

Pupils participated in a book review competition, with 3 entrants rewarded for their enthusiastic submissions.

Congratulations to Srihan Gillella, Shane Barnes and Summer-Louise Bache for their efforts!

Lexonik & Project 8

On Wednesday 9th April 2025, we celebrated the incredible achievements of students who have successfully completed the Project 8/Lexonik programmes. The Graduation Assembly was a momentous occasion, recognising the hard work and dedication of those who took part in Lexonik Leap, Lexonik Advance, and Project 8.

The assembly showcased the transformative impact of these programmes, which are designed to enhance literacy skills, boost confidence, develop an understanding of morphology and support academic success.

Lexonik Leap provided foundational support to students, helping them develop essential literacy strategies, while Lexonik Advance Level Three empowered students with advanced decoding, morphology and etymology skills, improving comprehension and reading fluency. Meanwhile, Project 8 was tailored for our Year 11 students, offering Lexonik Advance Level 4, a programme specifically designed to boost students who achieved a Grade 6 in their English Language exams at the end of Year 10, ensuring they reach their full potential in literacy and academic performance.

Staff shared inspiring stories of progress and perseverance, highlighting the significant improvements seen in reading ability, vocabulary, and overall engagement in learning. Graduation certificates were awarded to all participants, and special recognition was given to those who demonstrated exceptional commitment and progress.

A huge congratulations to all our graduates! Your dedication to improvement will serve you well in all aspects of education and beyond. We are proud of your achievements and look forward to seeing how you continue to grow, succeed and strive for excellence.

Mrs Blount, Head Teacher, expressed her immense pride in the students' accomplishments, stating, "I am incredibly proud of our Lexonik/Project 8 graduates. Their hard work and determination has already translated into significant progress across the sessions. Each pupil will continue to grow in confidence, applying the knowledge and skill they learnt into lessons and other scenarios. We look forward to celebrating further successes as a result of the impact from this programme. "

Careers

TELFORD SKILLS SHOW

Year 10 and 11 pupils were taken along to visit the Telford Skills show on Thursday 27th March.

This free event promoted local employment, training and apprenticeship opportunities to people across Telford, Shropshire and the West Midlands.

Pupils were able to: discover career opportunities; meet employers; connect with industry leaders; receive personalised career advice from recruitment specialists and explore training options.

Huge thank you to all staff who accompanied the pupils.

CAREERS FAIR

In February this year, Telford Langley hosted a career's fair for year 8-11 pupils. This was an opportunity for pupils to consider the options available to them, following secondary school.

many exhibitors were on hand to answer questions as well as provide some exciting demonstrations of what is possible for our pupils!

Achievements

SEA CADET SUCCESS!

By Devon Boardman

Last year, my brother inspired me to join Sea cadets. I tried it out and I loved it. Since then I have been going on Tuesday evenings every week. I have made friends, and I have fun doing activities such as colouring, drawing and marching.

A few weeks ago I got an amazing chance to join the piping team. I trained very hard! We all had to go on Thursdays evenings and a couple of Saturday mornings before the competition and I received a medal as my team come first.

Donate to a great cause!

Around 10,000 dogs are homeless many dogs find that living in shelters are in a stressful environment. We are looking at donating to Hillbrae rescue kennels. A small donation from us could make a big difference for these dogs.

Please could we donate any of the following:

- Dog food
- Blankets
- Toys
- Dog treats

We are looking to deliver any donations on the 10th of April. If donations can be delivered to pastoral bases, we will then collect at the end of each day!

CHARITY DRIVE

ON Thursday 10th April, Ms Kelly Thomas accompanied a group of pupils to Hillbrae Animal Shelter.

The Pupils were able to deliver donations raised in support of the charity. Pupils represented the school with pride and wish to extend their sincere appreciation to all staff, pupils and parents who donated to this worthy cause!

Well done!

Events

PUPIL OPPORTUNITY

On Friday 7th February, Shaun Davies MP attended school to meet with a group of pupils. 10 pupils across years 7 to 11 were invited to share their thoughts about Telford and Wrekin with him. They raised some relevant points and shared key concerns relevant to young people today. As part of the discussion, the pupils also found out more about politics and the role of members of parliament. The pupils seemed to enjoy the debate and Counsellor Davies was very complimentary about our school.

YEAR 11 GCSE EXAMS

We would like to take this opportunity to wish our year 11s all the best with their exams! Believe in yourself and work hard, we believe in you! Can we also remind the rest of the school to be mindful of noise around exam venues and to be respectful to staff and invigilators at all times.

Self Care Briefing – Head lice

Rationale

Head lice are a common problem, particularly in school children aged 4-11. They're largely harmless, but can live in the hair for a long time if not treated and can be irritating and frustrating to deal with.

Live head lice can be treated by wet combing; chemical treatment is only recommended in exceptional circumstances and in these cases over the counter medicines can be purchased from a pharmacy.

Recommendations for clinicians

- Provide the patient with a 'non-prescription' sheet or a patient information leaflet to promote education about self-limiting conditions suitable for self-care when appropriate.
- Advise patients on safe and effective self-care measures.
 - Treat everyone in the household for lice
 - Avoid head to head contact
 - Wet combing using a special fine-toothed comb with conditioner removes lice, combing from roots to ends. Repeat every few days for 2 weeks
 - If head lice or nits still present after 2 weeks, consult a pharmacist. They can recommend lotions or sprays.
 - Try not to scratch affected area
 - Treatment may be repeated if required
- Advise patients to seek medical attention and consider treatment with a prescription in the following circumstances:
 - Treatment failure

Example of products available to buy over the counter*

Dimeticone 4% - **Not licensed for under 6 months** (~£12.00 for 150ml)

Permethrin lotion 1% - **Not licensed for under 6 months** (~£10.00 for 2 x 59ml)
